## Optimum seating comfort

### NL

Voor uitermate goed zitcomfort en duurzaamheid van de kussens, wordt ForSeasons meubilair, aangeboden in 2 soorten kussenvullingen. U kan kiezen uit enerzijds een zachte comfortvulling en anderzijds uit een waterdoorlatende Ezy-Dry vulling. Dit wordt afgewerkt met een hoes in Sunbrella stof.

Sunbrella outdoortextiel is kleurvast, waterafstotend, ademend, vuilafstotend, schimmelwerend, onderhoudsvriendelijk en wasbaar.

Zowel levendige, warme als natuurkleuren komen voor in het door ons geselecteerde gamma. Afwijkingen van deze kleuren zijn steeds mogelijk.

### UK

For the ultimate in comfortable seating and durability of cushions, ForSeasons furniture is available with two types of stuffing in the cushions. You can choose between a soft, comfy stuffing and a water permeable Ezy-Dry stuffing – both finished off with a loose cover in Sunbrella fabric.

Sunbrella outdoor performance Furniture fabric is UV and fade resistant, breathable, resistant to mildew, has a special finish which protects it against stains and water, is easy to maintain and washable.

The range we have selected for you includes vivid, warm and natural colours. Variations on these colours are always possible.

### FR

En vue d'assurer au plus haut point le confort et la durabilité des coussins, le mobilier ForSeasons est proposé dans deux variantes de rembourrage de coussin. Vous avez le choix entre d'une part, un rembourrage de confort doux et d'autre part, un rembourrage Ezy-Dry perméable. Les coussins sont recouverts d'une housse en tissu Sunbrella. Sunbrella tissu d'ameublement outdoor est résistant aux UV et à la moisissure, ne se décolore pas, laisse passer l'air, traité antitache et imperméabilisé, et facile d'entretien et lavable.

Nous avons sélectionné une gamme qui se décline en des coloris éclatants, chaleureux ou naturels. Des variations de coloris sont possibles.

### D

Für einen äußerst guten Sitzkomfort und lange Haltbarkeit der Kissen wird ForSeasons-Mobiliar mit 2 Sorten von Kissenfüllungen angeboten. Sie können einerseits aus einer weichen Komfortfüllung und andererseits aus einer wasserdurchlässigen Ezy-Dry-Füllung wählen. Dies wird mit einer Hülle aus Sunbrella-Stoff verarbeitet.

Sunbrella-Outdoor-Textilien sind farbecht, wasserabweisend, atmungsaktiv, schmutzabweisend, schimmelhemmend, pflegeleicht und waschbar.

Das von uns ausgewählte Programm enthält sowohl lebendige und warme als auch Naturfarben. Abweichungen von diesen Farben sind jederzeit möglich.

### ES

Para dotar a las colchonetas de una durabilidad y comodidad superior, el mobiliario ForSeasons se ofrece con dos tipos de relleno. Por una parte puede elegir un relleno suave y cómodo y por otra uno permeable Ezy-Dry, acabados con una funda de tejido Sunbrella.

Sunbrella tejido outdoor para muebles es resistente a los rayos UVA y al moho, no se decolora, deja pasar el aire, tratamiento antimanchas y repelente al agua, fácil mantenimiento y lavable. Nuestra selección gamas comprende tanto los colores vivos como los cálidos y los naturales. Siempre existe la posibilidad de variaciones.

### I

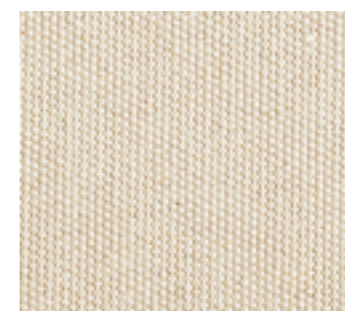

Per una comodità ottimale e una resistenza dei cuscini, i mobili ForSeasons si sono presentati in due tipi di imbottiture per cuscino. Si può scegliere tra, da un lato, un'imbottitura morbida e, dall'altro, un'imbottitura permeabile all'acqua Ezy-Dry. Questa viene rifinito con una fodera di tessuto Sunbrella.

Sunbrella Tessuto d'arredamento outdoor per mobile non si decolora e resiste ai raggi UV, trattato idrorepellente e antimacchia, resiste alle muffe, evita la condensazione del calore o dell'umidità, lavabile e facile manutenzione.

La gamma, selezionata da noi, contiene tanto colori vivaci quanto colori caldi e colori naturali. È sempre possibile deviare da questi colori.

### NL

Door hoge standaardisen te stellen bereikt het ForSeasons meubilair een hoge kwaliteit. Bewust hebben wij gekozen voor een opmerkelijke kwaliteit van vezel vervaardigd uit hoge densiteit polyethyleen. Onze keuze is milieubewust, weersbestendig, onderhoudsvriendelijk, UV-bestendig en resistent tegen sterke temperatuurschommelingen, ....

De aangeboden kleuren van de verschillende collecties zijn onderling goed te combineren en op elkaar afgestemd.

### UK

The rigorous standards we set are what give ForSeasons furniture its superb quality. We have deliberately gone for fibres of striking quality made from high density polyethylene. Our choice is environmentally aware, weatherproof, easy to maintain, UV resistant and proof against large temperature fluctuations ....

The colours we offer in our various collections provide you with excellent combinations and go well with one another.

### FR

En raison des exigences de base élevées, le mobilier ForSeasons se distingue par une qualité supérieure. Nous avons délibérément opté pour une qualité remarquable de fibre à base de polyéthylène à haute densité. Notre choix est respectueux de l'environnement, résiste aux intempéries, est facile à entretenir, résiste aux UV et aux fortes fluctuations de température...

Les coloris des différentes collections sont assortis et uniformisés.

### D

Indem hohe Standardanforderungen gestellt werden, erzielt das ForSeasons-Mobiliar eine hohe Qualität. Wir haben uns bewusst für Fasern mit einer bemerkenswerten Qualität entschieden, die aus Polyethylen mit hoher Dichte hergestellt sind. Unsere Auswahl ist umweltbewusst, wetterfest, pflegeleicht und beständig gegen UV-Strahlen und starke Temperaturschwankungen ....

Die angebotenen Farben der verschiedenen Kollektionen lassen sich gut miteinander kombinieren und sind aufeinander abgestimmt.

### ES

Para alcanzar unos altos estándares el mobiliario ForSeasons está dotado de gran calidad. Hemos elegido conscientemente una notable calidad de fibra confeccionada con polietileno de alta densidad. Nuestra elección es ecológica, de fácil mantenimiento, resistente al clima, a la radiación solar y a cambios extremos de temperatura...

Los colores en los que se ofrecen las diferentes colecciones están armonizados y combinan fácilmente entre sí.

### I

ForSeasons avanza delle richieste standard importanti e perciò il mobilio di ForSeasons è di prima qualità. Abbiamo intenzionalmente scelto per una fibra di ottima qualità, fabbricata da un polietilene ad alta densità. La nostra scelta è ecologica, resistente agli agenti atmosferici, di facile manutenzione, resistente ai raggi UV e resistente alle variazioni di temperatura.

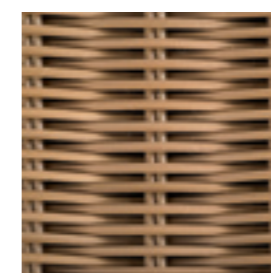

I colori delle collezioni diversi sono compatibili e in sintonia.
